Dearest Mary Ruth-

Hello lil' Niece. Are you shooting off all your fire-crackers? We are having a very quiet 4th so far -- went to 8 o'clock Mass, to visit a friend to whom we took a plant and then to dinner at Wyatts. Metz is not feeling so well and so is doing his usual -- sleeping in his chair.

Mary Ruth, several days ago our Granddaughter, Debra, who lives in Chicago called to say a young man had come to the Hotel where she works saying he noticed her name was Metzinger. - and since his Great-great Grandfather was a Metzinger --- Jacob Metzinger -- he was interested in learning about all Metzinger families.

Bea & Mary both told me you had started collecting history & facts on the family (Metzinger family) Tree. Would you mind sharing the information you have collected with both myself & this maybe relative? I will enclose a dollar for postage and if you will write me what I owe for making copies or whatever. I will mail it the next time. He (and me, too) would like any & all information that you have of all Metzingers - dates, names, where born & died, etc.

Hope you have time to fit this request in your busy schedual, Mary Ruth and that it is not too much of an imposition.

How is your Daddy, Mary? Hope he is much improved, always knows you when you go to see him & not suffering. Do you get to go see him often? And how are all your family & yourself?

I am fine but as usual about 40 pounds to heavy but really am quite well for 69. But your poor U. Sylvester is not so fortunate. I'm sure Bea has told you that he has Parkinson's and is becoming weaker more rapidly now. He is a fighting Metzinger, thó, so keeps going the most he can --- & he's not a complainer. All of our families are preety well, too.

Thank you, again, and

Much Love,

A. Marcella.

PREFACE

1334378

This volume is part of an effort to provide for each Indiana county an index of the names of persons and firms contained in county histories, atlases, gazetteers, and miscellaneous local publications. Subject entries and place names are not included, as references to such material can usually be found in tables of contents. In histories covering more than one county, only that portion of the book dealing with the county indexed is included. In such cases material relative to each of the various counties will be indexed independently of the remainder of the volume. For example, any material in the volume, Biographical and Genealogical History of Cass, Miami, Howard and Tipton Counties, Indiana, which deals with Cass County will be included in the Cass County Index, while material relative to Miami, Howard and Tipton Counties will be included in the index of these respective counties.

All names are entered as they appear in the text except in cases of obvious misprints. However, if possible, father and son having identical names are distinguished by the use of Sr. and Jr., though these may not appear in the text as part of the name.

Wherever possible the date of birth, death or mar-

NOTE: THESE ARE NOT BOOKS OFFERED IN THE COMP. RESEARCH. THOSE HAD NO ENTRIES FOR THE METZINGER/ METSINGER SURNAME.

Dear Mary Ann,

I am sending page 473 from the Metzinger book and hope it will help you with your family information. It was almost impossible to figure out the relationships in such a short time.

I am enclosing some blank family group sheets and hope you will fill them out as soon as you have some time. Please fill one out for your family, your parents (and their children) and your grandparents (and their children).

Texas dollars do not work in Oklahoma (ha) so returning your money. I did not realize you left it on the table until I started packing up the five books. I really do not want you to pay for the copy and postage. I am just interested in gathering all of the Metzinger information possible.

Will look forward to receiving your family group sheets.

Sincerely,

Mary Metzinger Nunneley

Mary Ann Moreland

Dear Mary Ruth

I have never met you but your address was given me by my brother and his wife so I want to offer my sympathy to you and the family. Raymond was my cousin, and I've prayed for him and other Sisters also, since we heard of his death. May God give him a wonderful place in his heavenly Home. He suffered much so I'm sure a big reward was waiting for him. I will continue to pray for him and all of you.

May God bless and reward you for all you did for him. I have a sister in Ponca City who lives with her son. She is 90+ and in a wheel chair always. We are all getting older and God will call us when He wishes so we must be ready to meet him.

I'll continue to remember your father in my prayers.

May God bless him and all of you.

Love and Prayers,
Sister M. Georgiana

Dear Family of Raymond, Feb. 19, 1989

We were so sorry to hear of Raymonds death. He was a good man, and will be missed. We are grateful we did get to see him sometime back. Henry has cherished memories of him as a young man. He helped Henrys family when one of the brothers ~~family~~ was gone over winter. Aso, helped work on the Church built in 1923 + 1924. This is a picture of St. Martins. We celebrated the Centennial of our parish last November.

We are having Father John Metzinger say a Mass for Raymonds Intention. Also we have prayers and masses here, and for the family's intention, too.

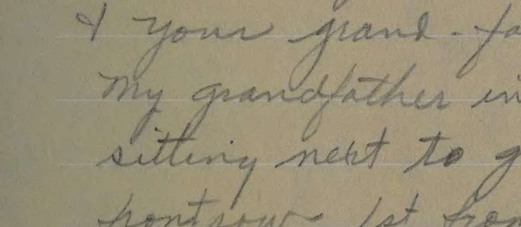
Hi Mary,

Well, after all these years it's nice to know - that there is another Mary Metzinger. So I guess this makes us 3rd Cousins (I think). So sorry you couldn't make it to the family reunion. Nice day.

In the picture my grand-father & your grand-father were brothers. right? My grandfather in the picture is man sitting next to great-grand father or frontrow - 1st from right. His Name also Henry, I also have an autograph book - it was great-grandmothers. I recieved these when my father passed away 4 years ago.



Our oldest son, Steve, used to live in

Bartlesville, OK. He was just married and works for Phillips Pro. He since has moved back to A.C. Sometime when we are at Bartlesville will stop & see ya! I was there about 2 years ago attending a quilt show. Want to go to Museum there sometime too- was there years ago- but I hear they have really up-dated it.

I am sending you back your check - & the Neg. for the picture thought maybe this would be the easiest. It will be a little cheaper for you because already have the negative made from picture. As soon as your through with the negative would you please send it back to me. Thanks

Love to all

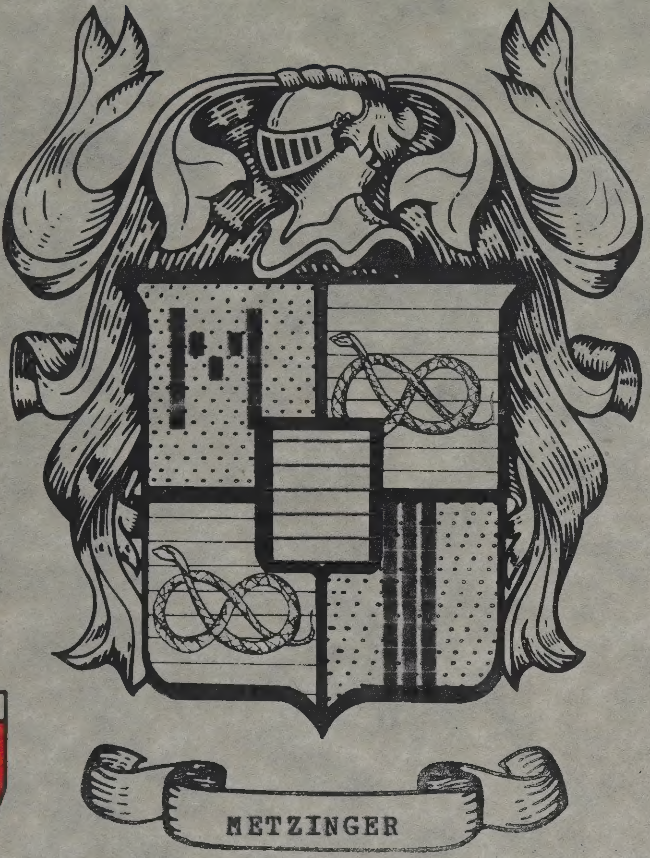
This historiography was prepared individually for the Metzinger surname on August 27, 1973 at the request of

Mr. Raymond H. Metzinger



The coat-of-arms illustrated left was drawn by a heraldic artist based upon information about the Metzinger surname and its association with heraldry. In the language of the ancient heralds, the arms are described as follows:

> "Quartered: 1st, or; the letter "M" sa.; 2nd and 3rd, az.; a serpent nowed vert.; 4th, or; a pale sa. Charged with a small inner shield az."

The Metzinger arms is translated:

> Divided into quarters: 1st quarter, gold background; a black initial "M", 2nd and 3rd quarters, blue background; a green serpent twisted in a knot; 4th quarter, gold background; a black vertical band. A small blue inner shield placed over all.

A serpent symbolizes universality, wisdom, healing. Seven vivid colors were chosen for use on shields of armor-clad knights to easily identify them at a distance. The heraldic colors gold, silver, purple, blue, green, black, and red were preserved on colorless drawings by dot and line symbols. The Metzinger coat-of-arms incorporated blue. The color blue represents loyalty and/or splendor.

Information available indicates that in 1972 there were less than 300 households in the U. S. with the old and distinguished Metzinger name. In comparison, some family names represent over 400,000 households in the United States.

This report does not represent individual lineage of the Metzinger family tree and no genealogical representation is intended or implied.

Dear Helen and Eva,

Have been home for several hours and have had some thinking time so want to share some thoughts with you, and loved seeing you both since it is seldom that the three of us are together (as Dad said).

I was a bit in a state of anger considering the "cleaning" of the closets and so forth. I am very opposed to any chabge in Dad's house. I promised Mom that he would stay there - I expect it to remain exactly as it is. If he requests any changes, we should try to honor his request to the best of our ability. I do not think he has asked that any changes be made. I feel that her empty chair and her empty side of the bed are quite enough empty for him to be able to handle. I am quite aware that the cleaning of the house after he is gone will be a master job, and hopefully, I will be available to help. As I told you, Eva, it will surely take many trash bags. I am absolutely opposed to any "cleaning" of anything. I beg of you both, leave it exactly as it is. He needs no more storage space that I can see and feel that a full house, closets and all, surely must make it easier for him.

I must believe that a good portion of his happiness are memories. Please do not remove all of them. How do we know that he might like looking at some of her belongings from time to time when he is alone? Unless you both feel it certainly necessary, I would appreciate that Dad's house be left alone. I had a bit of a problem right after Mom died with him wanting to give everything away (Helen you know this). He appears to have accepted leaving everything as Mom left it. Please, let us not start moving anything out.

If you girls feels that I am wrong since I am only there every other weekend and really, have such little care of Dad, please, let me know. I must tell you, you must put up a hard fight to change my mind. I do not want a thing changed in his house. I find it a wonderful and rather messy place to share a great bit of love with my Dad.

Love you both

Mary

Dear Mrs. McCorgary:

I talked to Mrs. Henry Metzinger of Caldwell, KS and she told me that you have for sale the wonderful picture of the Henry and Mary Metzinger family that was available at the Metzinger family reunion at Ponca City. We were not able to attend the reunion this time, but I very much want copies of the picture of my great-grandparents and their children. My Uncle John Metzinger came through Bartlesville on his way home to Coffeyville and I saw the picture. John thought Henry and Delores had the copies. When I called, they gave me your address and I surely hope they are still available.

I am the oldest daughter of Raymond Henry Metzinger of Drumright, Okla., (he the son of John Francis Metzinger and Catherine Ann Schilling). I believe the two Johns are on the back row of the picture, to the right. John Baptist is the last to the right on the back row and my grandfather, John Francis is next to him. Do you know the names in order on the picture?

I would like six copies, three for my sisters and three for my children. I am enclosing $35.00 for six copies and hopefully enough for postage. In fear that the postman will bend them to fit my mailbox, I am enclosing an address label for them to be delivered where I work.

Enclosed is an SASE if the pictures are no longer available.

Sincerely,

Mary

Dear Loretta,

Received your March 20 letter to me and the letter you enclosed for Dad. I sent his on to him and he has asked that I answer for him since I am the family genealogist. By the way, their address is, 506 South Morrow, Drumright, Okla., 74030.

I started work on the Metzinger genealogy several years ago and met with almost no success from family members. For the most part, they have not been interested in sharing any information about even their immediate families, so I doubt that your granddaughter contacting them would meet with any success either. I do realize that Grandpa and Grandma (John and Kate) were separated for several years before his death and feel that this is part of the problem. For the most part, I do not think the children know that much about the Metzinger family, which is sad. They were all born "Metzinger" and should have had the right to know both sides of the family story. I have always felt a great sadness that Grandpa Metzinger didn't live long enough for me to know him. Mother said that he was a sweet and very Christian man. I was three when he died and only vaguely remember being with him one time at Iola, Kansas.

Since I could not obtain much information from the Metzingers, I quit any active research about four years ago on that side of my family and have devoted my work on Mother's side and in doing the Nunneley genealogy for our children. I will get out the Metzinger papers again and put together what little I have and send it on to you for your granddaughter. I would very much like copies of what she has and would be happy to pay her for the copies. Should I contact her direct at the Arkansas address, or would you like to read the papers I have and send them on to her?

Would like to hear from you again.

Love -

Mary

Dear Mary,

I read your ad in the May-June 1995 Helper. My grandmother's maiden name was Metzinger and I am always trying to find others by that name.

Is your family from Oklahoma or elsewhere? My Metzingers came from New Jersey and Pennsylvania and later moved to Iowa.

I would be interested in exchanging information with you. Enclosed is my SASE.

Thank you.

Sincerely yours,

Dear Sandy,

Thanks for your letter and pedigree chart concerning the Metzinger family. Though I find no tie to my Metzinger family, it surely must be in past generations in Germany. My earliest known ancestor is:

John Martin Metzinger
son of John/Jean Metzinger and Gertrude Coppin
born ca 1767
died Dec 1813 - Limberg, Germany
married Jan 1797 to:
Helena Nieder, dau of Michael Nieder and Marie Eva Schinflad

John Metzinger
son of John Martin Metzinger and Helena Nieder
born Aug 1799 - Mittelbexbach, Germany
died 21 Dec 1857 - Mittelbexbach, Germany
buried 23 Dec 1857 - Mittelbexbach, Germany
married 20 Jan 1829 - Mittelbexbach, Germany to:
Catherine Schulz, dau of John Schulz and Elizabeth Martin

Henry Metzinger
born 30 Aug 1840 - Mittelbexbach, Germany
son of John Metzinger and Catherine Schulz
died 11 Aug 1914 - Benton County, Indiana
buried 13 Aug 1814 - Benton County, Indiana
married 22 Apr 1869 - Chicago, Cook County, Illinois to:
Mary M. Theno, parents names not known
(Henry Metzinger moved from Mittelbexbach, Germany to Schuylkill Co. PA about 1851/56, with two brothers.)

John Francis Metzinger
born 12 Aug 1872 - Benton County, Indiana
son of Henry Metzinger and Mary M. Theno
died 25 June 1934 - Iola, Allen County, Kansas
buried - Gas City, Allen County, Kansas
married 7 Jan 1897 - Benton County, Indiana to:
Catherine Ann Schilling, dau of Peter Schilling and Eva Meisberger

Raymond Henry Metzinger
born 13 Feb 1900 - Benton County, Indiana
son of John Francis Metzinger and Catherine Ann Schilling
died 17 Feb 1989 - Drumright, Creek County, Oklahoma
buried 20 Feb 1989-Oak Hill Cemetery, Drumright, OK
married 25 May 1929, Iola, Allen County, Kansas to:
Mabel Inez Mitchem, dau of Orrin Ometz Mitchem and Ella Adaline Hendricks

Mary Ruth Metzinger
born 20 Aug 1931 - Wewoka, Seminole County, Oklahoma
dau of Raymond Henry Metzinger and Mabel Inez Mitchem
married 29 Aug 1952 - Tulsa, Tulsa County, Oklahoma to:
Richard Dean Nunneley, son of Virgil Windfield Nunneley and Ola Grace Henderson

I have not, as yet, located my Metzinger family before 1797 when John Martin Metzinger married Helena Nieder in Mittelbexbach (shown as Bexbach on German maps of today). All early civil and church records call it Mittelbexbach, located between Oderbexbach and Niederbexbach (upper and lower Bexbach). Mittelbexbach is northeast of Saarbrucken. My Schilling family (to Schuylkill Co. PA in 1845) came from Sankt Ingbert, Germany. It, too, is located just northeast of Saarbrucken.

My father always said his grandmother, Mary M. Theno Metzinger (wife of Henry) came from Alsace Lorraine, but I have not been able to verify this information. In the early 1800's, those German people living on the French border probably really wondered if they were French or German....the French Revolution (1789) even changed the language in the old church and civil records. In researching that time period, one finds German, Latin AND French used over various time periods.

There is a man who lives here that does Metzinger research. I will contact him to check his records for your John William Metzinger. As I recall, his records seem to pertain to the families in France. He may have some information on your line.

Sorry I have not been able to help, but since I do not know where my Metzinger group was before 1797, I do not know where to look in Germany or France.

I have found most of my birth, marriage and death records through the microfilm at the LDS Family History Center Library. They have filmed thousands of rolls of German records. If you have access to a Center, you might see what is available on Metz, France and the surrounding areas.

Good luck on your research.

Mary

called Mr. Ralph Grimmer of Bartlesville and he was very receptive to contact about your Metzinger line. I will copy your pedigree chart and send it to him. He is a former president of our Genealogy Society and a wonderful researcher. Maybe he can help.

Dear Mary,

I received quite a bit (14 typed pages) of information from Mary McCorgary this week on the descendants of Henry and Sybilla Roth Metzinger and have now entered it into the computer. If you have anything to add please send as soon as possible so I can send out new up-to-date reports.

I would appreciate it if you would tell me who you gave copies of the Metzinger information when you were at the reunion last August. Also a list of those attending if you have one along with the name and address of the organizer or organizers.

I also found a person on the Internet who has been working on the Sproat-metzinger connection but she has not answered me as yet.

Hope to hear from you soon.

Regards,

Bob

Dear Rosemary,

Finally getting the Greives material in the mail to you. As you can see, I need many dates and marriages, especially on your Roth family.

I am enclosing an envelope and postage for you to return the sheets to me when you have made the corrections. After I get them from you, I will type new sheets and make copies for your records.

Visited our daughter and family in Hutchinson in October and planned to call you and try to get to Great Bend. Thought it would be easier to share the information in person, but just did not have time to make the trip there. I was taking care of our grandbabes for a couple of days. They are six(Ben) and eight(Sarah). They had me busy from morn to night!.

Will be anxious to hear from you. Wish we had more information about the Theno family. Do you know anyone who might have such information?

Hope to hear soon,

Sincerely,

Mary

P O Box 443

Dear Uncle Hap,

Sending the Metzinger material you requested. The family history is quite large at this point, and continues to grow.

I started the research about 25 years ago and only within the past three years made good progress on the line in Germany through material that had been microfilmed by the Morman Church in Salt Lake City.

In 1995, I was contacted by Mr. Robert J. Drobile, 895 Cassel Road, Collegeville PA 19426. He requested any information I had concerning my Metzinger family. I filled out a couple of family group sheets and send them to him. I had no idea that he had researched the family for many years. He has, for the past two years, sent me a huge amount of information. Those of us researching the family now send everything we find to Bob and he enters it on the computer. As information is updated, he sends these updates to us. I have never, in all of my years of researching, met a more sharing genealogist.

Bob has contact with a distant cousin of ours, August Metzinger, who lives in Mittelbexbach (Mittelbischbach) Germany. August does not speak or write English and Bob does not speak or write German. Another of our cousins, Joseph Metzinger, who lives in the US does the translations...and so the research continues.

I am sending the 1997 Metzinger update that I just received from Bob and the Schilling material that he has gathered. I have more on the Schilling line that I need to send to him, but have not had the time, as yet.

After you read your family information on page 454, please send any new data to me. I suspect there is additional that we do not have at this time.

Hope you and your granddaughter enjoy the material and I will not even consider sending you a "bill" for copies and postage. Just share this information with your family or anyone interested. And, please, do send updates on your family as they occur.

Much love,

Mary Ruth

Can Wildlife Area be Protected?

There is a large and wonderful wetlands at the southeast corner of Sperry. I've seen snakes, turtles, all kinds of fish, frogs, squirrels, possums, raccoons, beavers, all kinds of wild ducks and Canada geese, coyotes, deer, muskrats, and all kinds of songbirds down there. I was wondering if there was anyone out there who would be interested in turning this into a protected area. It's really a great place.

Pigeons May Have Canker

I'm calling about the pigeon birds that are dying downtown. If what people think is true then these birds have something called canker, which birds get because they're eating cracked corn, and there's not a whole lot we can do about it. We show pigeons, and that's what it is.

Increase Savings Interest Rates

I see in Tuesday's Tulsa World business section that banks in Oklahoma and all over the nation are having record profits. It really would be nice instead of them putting so much emphasis on service they might increase the interest rate on savings accounts just a little bit, and in this way they could really prove that they care about their depositors.

Caller Says Barriers Required

In reference to the Turner and Will Rogers turnpikes, the paper quotes the Oklahoma Turnpike Authority that the reason they're installing the median barriers is to reduce accidents. They say nothing about it being a requirement from the federal government in order to maintain their interstate road status that they have to have the center barriers. as Kansas does and all the other states that already have center barriers.

Don't Stereotype Men in Movies

I agree with Jay Cronley. I flat refuse to go to movies that stereotype men as nincompoops, numbskulls, or n'er-do-wells. I'm an intelligent woman, and I want to see today's men in films and television with strength of character, intelligence, able to overcome adversity, and still tender and considerate. Sure, I know men who are like that, I married one.

Grumbling is Remarkable

The current grumbling against those who have chosen to withdraw their support of the Disney Corp. is quite remarkable. While I make no claims concerning the Christianity of Roman Catholics, Southern Baptists or the Assembly of God, each has a high moral standard. The immoral and amoral of this nation under the leadership of Disney's Michael Eisner have joined forces to stretch every fiber of the envelope and to alienate those with any moral beliefs regardless of the source. Demographics prove that those church-going moralists have a higher per capita income then the population at large and they tend

ed. The House approved the measure Saturday, 404-4.

Democrats, having won GOP concessions on spending and immigration — and seeing a government shutdown looming if the bill was not approved by midnight Monday — decided "that we ought to quit while we're ahead," said Senate Minority Leader Tom Daschle, D-S.D.

White House chief of staff Leon Panetta said, "Democrats recognize we won a great deal in here in terms of the president's priorities and their priorities, and it's important to get this done . . . and get back to their constituents."

Republicans said the two-year Congress had stayed the budget-cutting course the GOP had promised, even though the White House won extra spending in round-the-clock talks that ended at dawn Saturday.

"Along the way, did we have to make some compromises to get our work product done? Yes. But we got it done," said Majority Leader Trent Lott, R-Miss.

The spending and immigration measures were combined into a single bill that with its explanatory report totaled 3,000 pages. Congress had already completed seven of the 13 annual spending bills, leaving six that were wrapped into this measure.

It would finance nine Cabinet departments — Commerce, Defense, Education, Health and Human Services, Interior, Justice, Labor, State and Treasury — plus other lower-level agencies. It contained $244 billion for defense and $145 billion for annually approved domestic programs.

Mr. Robert Drobile

Dear Bob,

I received the "dear cousin helpers" letter today. We are leaving on vacation early tomorrow and will be gone a few days, so thought I had better reply today.

I have had correspondence with Joyce Smithers over the years. I sent her quite a lot of material in September 1994 and have had no answer. This is not unusual. She always answers about four or five years after I send something. I first wrote to her from a query in the Genealogical Helper placed in 1988 for Eva Schilling. The letter was returned, so wrote to the Iowa Genealogical Society in hopes Joyce was a member. She was, and they kindly provided her new address. As of Sep. 1994, it was:

Joyce Smithers
P O Box 357
Wellman IA 52356

Her husband, David, is a descendant of Mary Margaret Schilling. I am enclosing some of Joyce's material. I am not sending all of the family group sheets she sent to me, because they contain numerous errors. I am sending only her husbands direct lines (and those also contain errors). Most of the children of Joseph John Quarlieter and Mary Margaret Schilling (dau of Peter and Eva) were born in IL, but all were baptized at St. Mary's Church, Dunnington, IN.

Still have not received copies of the latest disks sent to my brother-in-law. Larrie may have corresponded with you concerning his new program to run your disks.

The house is just about finished and will probably move late June. It has been a chore to get carpenters, tile men, etc. to "hurry" - but it is just about finished. I do not look forward to the move, but will be glad to get settled and get back to genealogy.

I will look over the addresses and let you know if I do write to anyone.

Sincerely,

Mary

Dear Cousin Helpers,

Just a few lines to let you know I am still active on the Metzinger Family tree and that I have been able to add information to the report on Johann Martin's descendants and also on the family of Johann Jakob- my line.

I have acquired a new computer and as soon as I figure out how to create disk copies I will let you all know.

In the meantime, since I now am able to get on the Internet I have been able to get into a list of telephone numbers and addresses and I have copied out all that I can think of at present as being possibles in the Metzinger line. I am sending each of you a copy so that you can see if any of them are of interest to us. Perhaps you would like to write to some of them. I have shown on the list those to whom I have written in the past month or so.

If any of you have any addresses that you would like me to look up please let me know and I will see what I can find.

Does anyone know of a possible connection by the surname Smithers in Iowa? I came across a listing on the Internet for a Metzinger by a girl named Joyce Smithers in Iowa City Iowa in which she listed John Metzinger the husband of Catherine Schilling. The listing was an old one and when I wrote to her the letter came back address unknown. I haven't a clue as to who she might be.

If anyone has any new information to add I would appreciate it as soon as possible so that it isn't a hassle putting it in the computer.

I have tried a new method of asking people to answer and it has had a 25% success rate so far. I send a self addressed postcard with questions on it. A copy is enclosed. It seems people don't mind answering questions if it can be done without looking for paper to write on.

If you are going to write to any of the addresses please let me know so I don't write to them also.

Sincerely,

Bob Drobile

RECORD OF MARTIN METZINGER SR. FAMILY

MARTIN METZINGER, SR. was born in Rhimas, Bavaria, Germany. He had three sons, John, Martin and Henry.

His Father did not believe in the military system of Germany, which was at that time, when a boy reached the age of 18 he automactially was drafted into the Army. In view of these facts when John, the oldest, was 18, he was sent to America. Likewise Martin & Henry when they reached the age of 18.

When they arrived in America, they settled at Pottsville, Penn. where they worked in the coal mines.

After working for 2 years, they received a letter from their mother telling them of the grave illness of their father. She also wanted one of the boys to come home to be with her.

The boys unable to decide which one should go, decided to draw straws. Martin was the one to go back to Germany. He went and after being home only 9 days his father passed sway. Ten days later he was ordered into Army Service. He served in the service two years, then went to live with his mother until he married Catherine Omhler. He continued to live with his wife in Germany approximately six years, when they sold all their property and came to America with their son Martin, five years old, a son John, who died on shipboard & was buried in New York City and a neice of his wife, Mary Omhler.

In the meantime John & Henry had left Penn. and were now in Chicago. John and a man by the name of Hauck had a chain of meat markets, either 7 or 8. Martin managed one for 7 months, when the owners sold all of them to Armour Bros.

The 3 brothers came by train to the part of this country, now Benton, County. At this time it was all prarie. They stopped at Sheldon, Ill., contacted a land agent, John Fleming, who brought them to the above area. Each bought land in this vicinity, now known as Dunnington.

Martins' wife did not make the trip as she was expecting a child. Allen was born in Chicago, then Catherine and her neice, Mary came to join Martin.

The men drove down in wagons, bringing plows and other implements with them. Martin built a 2 room home, with a loft, which was used as bedrooms. Meanwhile their protection from the elements was the over-turned wagons.

August was the first born to this union after they settled in Indiana, that was on Aug. 22, 1871.

Later they had Emma, & Gertrude.

In these days the people had to draw water (with pails) from a dug well. After living here several years, one day Catherine went for the water. The board cover on the well broke and she fell into the water, which was waist deep. It was sometime until she was rescued, then put to bed. Two weeks later Elizabeth was born but Catherine never recovered. She passed away in 1877. She was the first person to be buried in what is now St. Marys Cemetery, Dunnington, Indiana. This cemetery plot of ground was donated to the church, prior to her death, by John Metzinger.

One year after the death of his wife, Martin married Mary Omhler. To died
this union was born Marie, (dies in infancy) in 1881. Anna was born in 1883;1899
Frank born in July 17, 1885; he married Flora Davis -now deceased. Pete was born Oct. 20, 1886 and married Hazel now deceased. George was born Sept. 2, 1888 and married Mary Keys. Lewis Metzinger was born May 2, 1890 and married Minnie Huckelberry on Jan. 11, 1911; he passed away on Oct. 2, 1955 and she passed away on April 17, 1964. Ella was born Oct. 18, 1893 she married Minor Chaffee in Dec. 1924. She is now deceased.

In 1882 Martin Metzinger sold his land to his brother, John, and bought 200 acres of land near Ambia, where he lived until he passed away in 1905.

Before having a Catholic Church in Dunnington, the children were taken to Kentland for Baptism. The first Catholic Church was built in Dunnington about 1879.

THE STORY OF A PIONEER OF BENTON CO., INDIANA - HENRY J. METZINGER

He was born in Germany in the year of 1841, having a twin sister & three brothers. He came to America in the year of 1866, he landed in New York, he went to Penn., he worked in the coal mines for some time. While there he lived with his brother John who had come to this country before him. His brother Martin also lived in that vicinity but after working in the coal mines for some time he decided to go West. This time he went to Mineral Point, Wisconsin. He worked on a farm and fed cattle in winter. The winters there were very cold. While cutting wood for fuel one day a Caravan of Indians came along and asked for some tobacco which he gave them; after filling their pipes they quickly loaded the wood he had cut on his wagon and thanked him very generously and went their way. In the spring he went to McHenry County in Illinois, working as a farm hand, but when the corn harvest was over he was out of a job, so he went to Chicago where he got work in a Saloon for his board and room; in the spring he got work in a lumber yard. While in Chicago he met his wife, Mary M. Theno. They were married in 1869. By this time his brothers John & Martin also came West and settled in Chicago. They were engaged in operating a meat market. After some consideration the three brothers decided they wanted to become farmers as they were farm people in Germany. After looking at several locations they came to Benton County, Indiana where they each bought eighty acres, the price being $9.00 per acre, in the section west of where Dunnington now is. They moved on it in the Spring of 1870 by wagon, each brother having a wagon with their belongings; as there was no other transportation to their location it took three days for the journey. There being no buildings on the prairie land he and his wife lived in over-turned wagon boxes until a house could be built. There were no roads at that time, just trails across country. Sheldon, Illinois was the closest trading market and it was cash or no sale at that time as money was very scarce and there was credit. After plowing a part of the land for some crops, for he had only two horses he could not plow it all for this prairie sod was very tough, he planted his first corn by making a hole in the overturned sod with an axe & his wife dropped a few grains of seed corn in and covered it by stepping on it. Farm implements were very few and hard to get as also money that soon after the Civil War and the income for this very new prairie land was very small and uncertain.

His first corn that he had to spare he sold to a Mr. Summers, a cattle feeder near Earl Park. On one occasion he and his brother, John, went to Sheldon, Illinois to do some trading on a snowy day but while there the storm became much worse and on their return home they got off the trail they were used to following and they lost their directions in the snow storm. After driving for some time they came to a hunter's cabin that was vacant; by this time it had become dark so they decided to stay there overnight. Having bought a stove and some coal at Sheldon, they set up the stove in the cabin to protect themselves from the cold and to dry their clothing as they were making the trip in a farm wagon. Going home next morning as the storm had passed by that time. On another occasion while coming home before there was a bridge across Sugar Creek his team broke through the ice that was being used as a bridge in winter. He had to get into waist deep water & break the ice ahead of the team with a single tree of the wagon so the team would go on the way home, but after a few years of these hardships more settlers came to this area, among them were the Dunns, Woodlocks, Conners, Finnleys and Freelands. About that time roads were laid out & bridges were built and the County was being settled quite fast.

After living thirteen years on the eighty in what now is Parish Grove Township, he sold it to Mr. Finney who owned land to the west of his eighty and moved three and one-half miles South and East to the farm now occupied by Sylvester Greives, his grandson. It was all prairie, it also had to be broke for the first time. He used to relate that when going to the field to plow he took along a file to sharpen the shears while the horses were

resting as the prairie sod was very tough. He also took a good sized club to kill snakes as they were quite numerous at that time.

Henry Metzinger and his wife, Mary M. raised a family of nine children. They helped to establish the Catholic Parish later known as St. Marys' at Dunnington, Indiana. He made many friends in this community and in his later years was known by many of his friends as "Uncle Henry".

He passed from this life in August 1914. May he rest in peace.

Written by his son, Nicholas, last survivor of the Henry Metzinger family.

Vorwort des Verfassers

In den Orten, in denen die Kirchenbücher erst spät beginnen, ist der Wunsch begreiflich, andere Quellen zu erschließen, die familienkundliche Informationen auch aus der davorliegenden Zeit enthalten. Für den Raum der Pfarrei Itzbach-Rehlingen (mit ihren zahlreichen Dörfern), deren Kirchenbücher erst 1725 einsetzen, stehen aus der Zeit davor Akten der Wallerfanger Notariate und ab 1699 auch des Rehlinger Dorfnotars zur Verfügung, die aber noch nicht veröffentlicht waren.

Es darf daher als glückliche Fügung angesehen werden, daß ein fleißiger und umsichtiger Forscher wie unser Mitglied August Deynet zahlreiche Ahnen in den Dörfern der Pfarrei besaß. Dies hat ihn auch bewogen, der Arbeitsgemeinschaft für Saarländische Familienkunde e.V. und dem Kreisarchiv Saarlouis ein großzügiges Geschenk zu machen. Es handelt sich um zehn Bände mit Auszügen aus Notariatsakten im Landesarchiv Koblenz und im Departementarchiv in Metz. Diese Notariatsakten sind für den Familienforscher aus dem Kreise Saarlouis von besonderem Interesse, da sie es in vielen Fällen ermöglichen, aus der Zeit vor dem Beginn der Kirchenbücher die eigenen Vorfahren zu ermitteln.

Da ich mich schon sehr lange mit den alten Beamtenfamilien in Wallerfangen, dem Hauptort der Ballei Deutsch-Lothringen und mit den Einwohnern der katholischen Pfarrei Itzbach-Rehlingen befaßte, kam mir dieses Geschenk wie gerufen. Mit dem Einverständnis von August Deynet habe ich seine Bände in ihrem Ertrag für die Familienkunde ausgewertet. Dadurch konnten die Familien der Orte Büren, Itzbach, Oberlimberg, Siersdorf und Rehlingen von der Mitte des 16. Jahrhunderts bis zum Beginn der Kirchenbücher erfaßt werden. Ergänzend zu den Auszügen von A. Deynet wurden herangezogen: der Nachlaß Liebertz im Kreisarchiv Saarlouis, die von mir vorgenommene Verkartung der Kirchenbücher von Itzbach-Rehlingen, die von Herrn Karge erfolgten Kirchenbuch-Auszüge von Bedersdorf, Ihn, Leidingen, Neunkirchen/Lothr. und Schwerdorf, ferner jeweils das älteste Kirchenbuch der benachbarten katholischen Pfarreien Großhemmersdorf, Körprich-Hemmersdorf, Fremersdorf und Merzig. Schließlich auch das Familienbuch von Beckingen, von dem sich eine Kopie im Kreisarchiv Saarlouis befindet. Mit Hilfe eines umfangreichen Briefwechsels mit August Deynet ist es schließlich gelungen, die Familien der oben angeführten Orte weit in das 16. Jahrhundert zurück zu verfolgen.

Die Erforschung der Einwohner von Oberlimberg fand im 20. Sonderband der SFK mit dem Titel "Die Geschichte des Limbergs und der Einwohner von Oberlimberg 1706 - 1875" ihre Darstellung. Da inzwischen die das Saarland betreffenden Akten der von August Deynet benutzten Notariatsbestände vom Landeshauptarchiv in Koblenz in das Landesarchiv des Saarlandes überführt wurden, können die ausgewerteten Akten jetzt in Saarbrücken eingesehen werden.

Die folgende Darstellung nimmt Bezug auf die von August Deynet veröffentlichten Bestände. Bei wichtigen Akten wird in Klammern der entsprechende Band von Deynet und die jeweilige Seitenzahl vermerkt. Werden andere Quellen herangezogen, so werden diese jeweils im Text angegeben.

Mein Dank gilt zunächst dem Vorstand der Arbeitsgemeinschaft für die bereitwillige Aufnahme der Arbeit unter die Sonderbände seiner Mitteilungen (als Nummer 22), sodann dem Herausgeber für die kritische Durchsicht des Manuskripts sowie die Beratung bei der Ausgestaltung und Drucklegung. Mein Dank gilt der Druckerei sowie allen, die durch ihre finanzielle Unterstützung die Drucklegung der Arbeit förderten: vorab dem Landrat des Kreises Saarlouis Herrn Dr. Peter Winter und dem Leiter des Amtes für Kultur, Sport und Kreisschulen im Landratsamt Saarlouis Herrn Gernot Karge.

Ebenso herzlich danke ich dem Bürgermeister von Rehlingen-Siersburg Herrn Werner Raber sowie den Herren der dortigen Amtsverwaltung, Herrn Oberamtsrat Erhard Grein, Herrn Gerd Collet und Herrn Hirschauer, die mir bei der Verkartung der Einwohnerverzeichnisse durch Einsicht in die Kirchenbücher behilflich waren. Frau Jutta Mai von der Kreisbildstelle Saarlouis danke ich für die Anfertigung aktueller Fotos und die Reproduktion von Archivfotos. Für freundliche Unterstützung bei der Archivarbeit danke ich Frau Dörr und Herrn Schäfer vom Landratsamt Saarlouis.

Dear Ms Nunneley:

I have been researching the Metzinger family for the past four years and wonder if you would tell me of your ancestry so that I can determine whether or not you are connected to the Metzinger line which started with Johannes Metzinger and Engel Schenkel around 1640 in the area of Germany which is now known as the Saarland.

There are a few of the descendants of this couple who are actively helping me on this project and we have been able to connect some 2300 blood descendants to date in many states in the Midwest and in Ohio and Pennsylvania.

Our line also has persons who do now or had lived in South Dakota.

We would appreciate it if you would fill out the enclosed pedigree sheet and send it to me in the enclosed SASE.

Thanks very much for your help and I hope you have luck in your searches.

Sincerely,

Bob Drobile

Dear Bob,

I am very excited about the material you sent concerning our Metzinger family. I have worked rather hard to try and prove my line and it was wonderful to find I AM on the right track. I had ordered the church records of Mittelbexbach through our local LDS Family History Center and have been making copies and sending them to our son in Minneapolis to translate (if only I had paid more attention in high school Latin class!). Dick, Jr. took three years of Latin and was a classics and humanities major at the University of Oklahoma. Our college tuition money is now being returned.

We seem not to agree on some of the names and dates. Of some, I am certain and others need more research. One of the names, Bertha Poliski Husch, may well be correct. I have only what my Dad said. He said he went to business college in Wichita with his cousin, Bill Hirsch, when they left Caldwell. Did I not hear the name correctly? Was Dad saying "Husch"? I do have that Uncle Bud and Aunt Bertha had three children, Bill; John and Florence (all children of Bertha, per Dad).

My Uncle John Metzinger (#3850) was not John F., Jr. His middle name was Rhinard. I really had been told by John that it was Rheinart, but his sons spelled it Rhinard in his obit. Uncle John disliked it much and did not care to discuss his middle name!

I do not have a computer, but my sister Eva and her husband are a two-computer family and have assured me they will print the material for me, so I am enclosing some postage and disk money. Please let me know if more is needed. They have assured me that they will not make public any of the material, which may include current data from Cousin August Metzinger of Germany. Eva and Larrie have gotten interested in genealogy within the past two years (after Larrie's heart attack and forced retirement at 54). They are working on his family and leave the Metzingers, etc. to me. Hope you will have time to enter the material I am sending before making copies of your disks.

Some of your information confirmed my thoughts concerning the immigration of the Metzinger brothers. I always thought that John came first and stayed to marry Mary Magdalene Schilling. I suppose Martin, as his family has stated, could have come to American with John and returned to marry Catherine Omler. I have not really found any proof, as yet, that Martin ever lived in Schuylkill Co., except statements by his family. I wish I could find the church records in Schuylkill for the Schillings and John Metzinger. They are supposed to be at St. Bartholmew's at Patterson (must be Brockton, PA). I have tried to call the pastor, but only reach an answering machine, so it must be a mission church.

Our family - Dick and I were married while he was attending the University of Tulsa (OK). He was on an athletic scholarship and a member of the basketball team (honorable mention All-American) and was inducted a few years ago into the TU Athletic Hall-Of-Fame. Quite an honor and enjoyed by his fans, the wife and children. He went to work for Phillips Petroleum Co. in 1954 and retired in 1992. He spends retirement time golfing and fishing.

I worked for an oil company (Tidewater) when we married and continued for several years. After the children were born, I wanted a job that was less confining for a mother, so went to work as the secretary for our church, Sts. Peter and Paul in Tulsa. After the children finished grade school at Peter and Paul, I took a job at St. Pius Church (a larger church in Tulsa and a better salary) and worked there until we were transferred to Bartlesville in 1974. I worked for the Corps of Engineers in Tulsa (from my home in Bartlesville) as a contract rep on the relocation of a cemetery and other burial sites in northern Washington Co. OK. The Corp. was in the process of construction of Copan Lake, a water conservation project, and needed a person familiar with genealogy to locate next-of-kin for grave removal permits. A very interesting job. After the project was finished, I went to work for the City of Bartlesville Public Library in 1978 and remained there until I retired in 1989. I spend my time doing genealogy, fishing and volunteering...have been active in the Bartlesville Women's Club (vice-pres); Daughters of the American Revolution (several offices, most recently as Registrar); volunteer at the Public Library; and, work each Thursday at the LDS Family History Center library. The LDS Church and our local genealogy society came together a few years ago and agreed to let non-members staff the library. It is a wonderful arrangement for the Church and great for those who volunteer (we are allowed a key to the Church library and can use it anytime, even during closed hours). This library is one of the only ones that is open every day from 9:00-4:00 and Sat. twice each month. It has worked for almost four years and will continue as long as volunteers are available. Our son, Dick Jr, graduated from the University of Oklahoma (BA), the University of Minnesota (MA) and will finish his doctorate (U of M) in October. He teaches at the University in Minneapolis. Son, Michael, graduated from Oklahoma State University (BS) and coached basketball for several years. He quit teaching/coaching and went to work as a VP at a bank. He has recently "retired" from the desk and is farming. Really raising sheep, goats and cattle. I really think he wants to return to teaching after a seven year rest from the classroom, but that will probably be next year. Dau, Kathleen, works for Phillips Petroleum Co. here in Bartlesville and has our two local, beautiful, smart grandbabes.

I really appreciate the material you sent and look forward to receiving the disks. After those have been printed out for me, I will know if you need anything earlier than I am sending - which I doubt.

Thanks so much -

Sincerely,

Mary

Die Auswanderungen

Obwohl Fürst Wilhelm Heinrich die Meinung vertrat, die Grafschaft Saarbrücken könne gut 2 000 Untertanen mehr ernähren, waren seine Untertanen offenbar anderer Meinung. Jedenfalls verließen viele mit Weib und Kind ihre Heimat, um in der Fremde ihr Glück zu versuchen. Es mögen auch andere Gründe als Armut eine Rolle gespielt haben, wenn im 18. Jahrhundert die Menschen in Massen auswanderten, aber es war doch hauptsächlich die wirtschaftliche Not, die sie in die Ferne trieb. Damals waren es vor allem die österreichischen Länder, die die Menschen anzogen. Kaiserliche Werber versprachen den Auswanderungswilligen wirtschaftliche Vorteile und Unterstützung bei der Ansiedlung im fremden Land. Die deutschstämmigen Siedlungsgebiete in Siebenbürgen, Batschka und Banat sind damals von diesen Auswanderern angelegt worden.

Ich weiß nicht, ob und wieviel Bexbacher schon vor 1780 nach Osten gezogen sind. Es ist allerdings auffallend, daß ich nur für die Jahre 1782 – 1791 Auswanderer in den Akten finden konnte, die alle „nach Ungarn" zogen. Folgende Bexbacher mit ihren Familien haben damals von Bexbach aus donauabwärts eine hoffentlich bessere Zukunft gesucht:

Peter Didion
Johannes Dupré
Michael Durand
Nikolaus Flammand
Peter Gallo
Karl Jakob
Christian Jung
Johannes Rink
Peter Ruffing
Hans Georg Schild
Hans Peter Schild
Lorenz Schild

Das sind 12 Familien, rechnet man jede Familie zu 5 Personen, so haben damals innerhalb 9 Jahren 60 Personen aus Bexbach eine neue Heimat gesucht, also etwa der sechste Teil der Dorfbevölkerung. Wahrscheinlich aber waren es mehr, denn ich habe wohl kaum alle Auswanderer nach den Akten feststellen können.

Eine neue Auswanderungswelle ist im vorigen Jahrhundert festzustellen. Im Gegensatz zu den Auswanderern in den 1780er Jahren wandten sich nunmehr die Auswanderer nach den Vereinigen Staaten von Nordamerika. Die Regierung in Speyer sah das zunächst gar nicht gern. Vor allem suchte sie schon 1820 „betrügerische Ausländer" auszuschalten, die „leichtgläubige Einwohner zu dem gewagten Entschluß zu verführen suchen, ihr Vaterland zu verlassen und nach Nordamerika auszuwandern." Sie ordnete an, die Bevölkerung sei vor diesen Betrügern zu warnen. Der Landkommissar Dr. Siebenpfeifer in Homburg hielt am 4. 9. 1820 sogar in einem Rundschreiben die Gemeinden an, auftretende Werber seien sofort zu verhaften und einzuliefern. Seit 1825 machte die Regierung mehrfach den Landkommissaren den Vorschlag, die Auswanderungsbewegung nach Altbayern zu lenken, wo viele Bauerngüter frei und Arbeitskräfte erwünscht seien. Großer Erfolg war diesen Bemühungen aber nicht beschieden. Viele Sorgen machten der Regierung auch die heimlichen Auswanderer. Im Landkommissariat Homburg sind vom 1. 1. 1833 bis 25. 9. 1834 nicht weniger als 26 Familien ohne Erlaubnis der Behörde ausgewandert. In den Jahren bis 1835 spricht die Regierung von Auswanderungen nach Rußland, Polen, England, Ungarn, Nordamerika, Brasilien, Australien, Algier, Ostindien, Kanada, Siebenbürgen und Holland. Nachher ist nur noch von Nordamerika als Auswanderungsziel die Rede. Von 1830 bis 1865 sind gegen 100 000 Personen aus der Pfalz ausgewandert, in den 1850er Jahren allein 30 000.

Bezeichnend für die Beurteilung der Auswanderungsbewegung durch die Behörden ist ein Bericht des Landkommissariates Homburg von 1845, in dem es heißt: „Die Abwanderungslust ist, wo sie sich zeigt, eine Krankheit und die davon Befallenen können nicht durch Abmahnung, sondern nur durch bittere Erfahrungen davon geheilt werden."

Ein Zeitgenosse urteilt: „Es ist nicht die Armut, welche die Masse in Bewegung setzt, denn es befinden sich oft ganz wohlhabende Familien darunter. Es ist der schwache Pulschlag des öffentlichen Lebens, die politische Stagnation, die allgemeine Stockung von Handel und Betrieb und die Scheu vor der Conscription sowie die begründete Überzeugung, ihre Lage jenseits zu verbessern.

Auf diese Weise ist nicht etwa die Hefe, sondern ein tüchtiges Element der pfälzischen Bevölkerung zur Ausscheidung gekommen, denn der übriggebliebene Teil hat sich in sozialer Beziehung seither keineswegs besser qualifiziert."

Aus den Verzeichnissen des Landkommissariates/Bezirksamts Homburg von 1837 bis 1881, der Auswandererkartei bei der Heimatstelle Pfalz in Kaiserslautern und den Aufzeichnungen in Personenstandsbüchern beim Standesamt Mittelbexbach, jetzt Bexbach, sind folgende Auswanderer aus Mittelbexbach bekannt:

Insgesamt konnten also mindestens 417 Personen als Auswanderer aus Bexbach ermittelt werden. Es waren sicherlich mehr, da nicht in allen Fällen die Angehörigen der Auswanderer festgestellt werden konnten. Von diesen Leuten haben mindestens allein in den Jahren 1845 – 54, in 10 Jahren, 286 Personen ihre Heimat verlassen und in der Fremde ihr Glück gesucht.

Wieviel Nachkommen der ausgewanderten Bexbacher mögen heute noch in den USA leben, viele davon vielleicht, ohne die Heimat ihrer Voreltern zu kennen? !

Dear Bob,

As you requested in your letter of 30 July, I am enclosing some material on my Metzinger family. I know nothing of the family before January, 1797. John Martin Metzinger, son of John/Jean Metzinger and Gertrude Coppin, married on that date to Helen/Helena Nieder, dau of Michael Nieder and Marie Eva Schinflad. The marriage took place at Mittelbexbach (now shown as Bexbach) Germany. It is recorded in the Catholic Church records of that city. The parents of both couples are shown in the marriage record. I have, as of this date, found nothing on John/Jean Metzinger and his wife, Gertrude Coppin and really have no idea where to search in Germany (or ? France).

John and Helena had a son John who married Catherine Schulz (see enclosed paper). Three of the sons of John and Catherine Schulz Metzinger came to the US to Schuylkill Co. PA in the mid 1850s (so goes the family story). I really believe that their sons John and Martin came to PA about 1855. John married in Schuylkill Co. in 1857 and Martin returned to Germany. He married in Mittelbexbach in 1865 and returned to America in 1866 with his wife and brother, Henry Metzinger (my great-grandfather). The group moved from PA to Chicago, IL by 1869 (marriage of Henry Metzinger to Mary Theno). By 1870 the group sold their meat markets in Chicago and purchased farms in Benton Co. Indiana. Many of the family still reside in that area.

I would appreciate any clues you might send as to the origin of John/Jean Metzinger who married Gertrude Coppin. I am at a loss as where to continue with this group.

I am sending the name of another Metzinger researcher who lives in Bartlesville. He has gone back to the early 1600s on his Metzinger line in France (he is probably back farther as his report to me was Oct 1994). His address is:

Mr. Ralph J. Grimmer
804 S. Castle Road
Bartlesville OK 74006

Ralph is a former president of our genealogy society and a good researcher who FINALLY found Mittelbexbach in Germany.

Hope the information I am sending will be of help to you or someone who might contact you.

Sincerely,

Mary

Dear Cousin Mary,

You should have received my postcard by now telling you that we are 4th cousins as you will see by the enclosed chart. Needless to say I was delighted to receive your letter and it proved that my decision to not cancel my subscription to Genealogical Helper was a good one finally.

Your data supplied some of the missing information about the descendants of John Francis Metzinger and I am hoping that you have much more on them. I am enclosing a report showing all I know at present of the descendants of Heinrich and Mary Theno Metzinger and I hope you will look it over and send me anything you have that I don't.

I started on this Metzinger quest back in 1991 after finishing as far as possible on my grandmother and father's lines. While doing my fathers line I discovered that my great grandmother Katharina Metzinger was born in Mittelbischbach (old name for Mittelbexbach) Bavaria. Subsequent search at St Boniface Church in St Clair Schuylkill County Pa revealed that Bavaria was really Rhein Bayern- that part of Germany which was under the rule of the King of Bavaria from 1816-1919 (see enclosed political history of Bexbach). Once I found this out I wrote to the Archives of the Archdiocese of Speyer who gave me some information and referred me to the town of Bexbach since part of the church records had been destroyed. When I wrote to Bexbach lo and behold I received a letter back with the name of August Metzinger as being the person who would be able to tell me all about the Metzinger family.

I wrote to August and found out that he had been doing family research for 10 years and had quite a bit of information on the German side of the family but none at all on the U S connection. He also has a computer and has since purchased the same program that I use so we can exchange information quickly and easily. He also had worked prior to his retirement for the Town of Bexback as Assistant record keeper and therefore had easy access to the records and also an "in" with other towns in the area. He has given me all the Metzinger descendants up to the present time. Unfortunately German Privacy Laws forbid the dissemination of information on those born in the last 100 years and he has asked that I conform to his wish not to reveal this information to anyone

else. Back in 1985 and thereabouts a William Schikora from Kalamazoo Michigan whose mother was a Metzinger did extensive letter writing trying to trace his mother's family. Unfortunately for him he was unable to ever tie his line to ours but he did get considerable information on the Metzinger's mainly in the Midwest. He has given me copies of his correspondence and I have taken it from there. I discovered Bill from an inquiry I sent to a church in the Washington D C area after receiving a copy of an article on church music written by a Joseph Metzinger from one of the Metzinger family in Youngstown Ohio.

There is still a lot of work to be done on the family, especially here in Pennsylvania and New Jersey where the living descendants are very uncommunicative even though I had gone to school with some of them and my mother was very good friends with theirs. Maybe someday they will thaw and give me some information.

If you have a computer, or access to one, I can send you two 1.44M 3.5" disks in DOS Ascii format which will print with the DOS PRINT command. They can be read with the DOS TYPE¦MORE command but will show some symbolization control codes for printers. These will not show in the printed version however. The 8 files on the disks will print out to around 300 pages and are as shown on the enclosed sheet.

I am enclosing some information which you may find interesting. 1) a copy of the cover sheet of the establishment of the church of St Martin in Mittelbischbach in 1708. Notice that Jean Didion who is one of our ancestors was the witness for Mittelbischbach; 2) copies of several pages of a study on early parishioners of the Itzbach-Rehlingen Parish from 1600-1725 by Guido Mueller; 3) a list of some emigrants from the town of Mittelbexbach- notice our ancestors and cousins in this list; 4) a newspaper clipping of the account of the death of Peter Leon Metzinger's wife and daughter in a train-car accident in 1934; 5) a copy of a newspaper clipping of the death of your grandfather; 6) a copy of a letter sent to the Metzinger family reunion August 6 1952 from John Baptist Metzinger- useful as to spelling of some names; 7) a newspaper notice of the marriage of Anthony Metzinger to Carrie Lesco- notice spelling of her name; 8) a copy of the naturalization application of Heinrich (Henry) Metzinger- your great grandfather; and 9) several pages of history of the rulers of the town of Bexbach sent me by cousin August.

I have book and page references for all the German connections but they are too numerous to list in the reports. If you want them I will try to copy the German text and send them to you. I may have to give you some of the current data so PLEASE honor August's request and don't disseminate any of

this.

A little about myself. I am 71 years of age, married twice, and have a daughter and grandson from my first wife Doris who died of cancer, and three stepchildren and 2 grandchildren from my second wife Dolores. I was born and raised in the Philadelphia Pa area where I attended Catholic grade school and Roman Catholic High School. After graduation from high school I joined the U S Navy in 1942 and served in the Pacific Area until January of 1946. In 1947 I enrolled in Penn State University in the School of Forestry. After my freshman year I married. Upon graduating in 1951 I went to work for the U S Geological Survey doing mapping in the Eastern Region of the US, working in South Carolina, Indiana, and Tennessee. I left the Geological Survey in 1952 and took a position with Aero Service Corporation, an aerial mapping firm in Philadelphia- now located in Tulsa Oklahoma. In 1966 I left Aero and accepted a position with A W Martin Consulting Engineers from which I retired in 1987 as VP Surveying Services. In 1988 I went back to work parttime with a previous associate setting up a computerized Accounting department for him. I am still working there but only 3-4 hours a month just as a consultant.

My ancestry on my fathers fathers side I have been able to trace to around 1591 in the Kingdom of Bohemia and on his mothers side to around 1650 in Wuertemberg Germany. You know the rest about the Metzinger side of my great grandmother.

I assume I have bored you enough by now, so please write and let me know if you can use disks, or what information I might be able to share with you.

Thanks for answering my letter and I will pass along the address of Ralph Grimmer to Bill Schikora. Perhaps Bill is related to Ralph.

Stay healthy, happy, and wealthy.

Sincerely,

Bob

The Story of a Pioneer of Benton Co., Indiana

Henry Metzinger — This was our fathers father

He was born in Germany in the year of 1841 having a twin sister and three brothers. He came to America in the year of 1866, he landed in New York, he went to Penn., he worked in the coal mines for some time. While there he lived with his brother John who had come to this country before him. His brother Martin also lived in that vicinity but after working in the coal mines for some time he decided to go West. This time he went to Mineral Point, Wisconsin. He worked on a farm and fed cattle in winter. The winters there were very cold. While cutting wood for fuel one day a Caravan of Indians came along and asked for some tobacco which he gave them; after filling their pipes they quickly loaded the wood he had cut on his wagon and thanked him very generously and went their way. In the spring he went to McHenry County in Illinois, working as a farm hand, but when the corn harvest was over he was out of a job so he went to Chicago where he got work in a Saloon for his board and room; in the spring he got work in a lumber yard. While in Chicago he met his wife, our grandmother Mary M. Theno. They were married in 1869. By this time his brothers John and Martin also came west and settled in Chicago. They were engaged in operating a meat market. After some consideration the three brothers decided they wanted to become farmers as they were farm people in Germany. After looking at several locations they came to Benton County, Indiana where they each bought eighty acres, the price being $9.00 per acre, in the section west of where Dunnington now is. They moved on it in the Spring of 1870 by wagon, each brother having a wagon with their belongings;as there was no other transportation to their location it took three days for the journey. There being no buildings on the prairie land he and his wife lived in overturned wagon boxes until a house could be built. There were no roads at that time, just rails across country. Sheldon, Ill. was the closest trading market and it

was cash or no sale at that time as money was very scarce and there was no credit. After plowing a part of the land for some crops, for he had only two horses he could not plow it all for this prairie sod was very tough, he planted his first corn by making a hole in the overturned sod with an ax and his wife dropped a few grains of seed corn in and covered it by stepping on it. Farm implements were very few and hard to get as also money that soon after the Civil War and the income from this very new prairie land was very small and uncertain. His first corn that he had to spare he sold to a Mr. Summers, a cattle feeder near Earl Park. On one occasion he and his brother, John, went to Sheldon, Ill. to do some trading on a snowy day but while there the storm became much worse and on their return home they got off the trail they were used to following and they lost their directions in the snow storm. After driving for some time they came to a hunter's cabin that was vacant; by this time it had become dark so they decided to stay there over night. Having bought a stove and some coal at Sheldon, they set up the stove in the cabin to protect themselves from the cold and to dry their clothing as they were making the trip in a farm wagon. Going home next morning as the storm had passed by that time. On another occasion while coming home before there was a bridge across Sugar Creek his team broke through the ice that was being used as a bridge in winter. He had to get into waist deep water and break the ice ahead of the team with a single tree of the wagon so the team would go on the way home, but after a few years of these hardships more settlers came to this area, among them were the Dunns, Woodlocks, Conners, Finnleys and Freelands. About that time roads were laid out and bridges were built and the County was being settled quite fast.

After living thirteen years on the eighty in what now is Parish Grove Twp. he sold it to Mr. Finney who owned land to the west of his

eighty and moved three and one-half miles South and East to the farm
This is our Aunt Rose's boy
now occupied by Sylvester Greives, his grandson. It was all prairie, it also had to be broke for the first time. He used to relate that when going to the field to plow he took along a file to sharpen the shears while the horses were resting as the prairie sod was very tough. He also took a good sized club to kill snakes as they were quite numerous at that time.

Henry Metzinger and his wife, Mary M., raised a family of nine children. They helped to establish the Catholic Parish later known as St. Mary's at Dunnington. He made many friends in this community and in his later years was known by many of his friends as Uncle Henry.

He passed from this life in August 1914. May he rest in peace.

Dear Cousin Mary,

Your volume of information was waiting for me when I returned from vacation and needless to say I was overwhelmed. Thanks very much. Your information has extended the Metzinger family some 25 pages at least.

I am sending you two disks which have the Metzinger family on them as shown on the accompanying sheet. I do not feel comfortable in sending all of the German text since I did promise August that I would not give this information to anyone else. Perhaps some day I can convince him to let me release it to some others, however at this time he could get into trouble if it would be found that he had given it to me.

If you have specific questions on anyone in Germany you can write to him- he doesn't read or write English however. I will give you his address if you want it.

I notice some discrepancy between your data and mine on the older Germans. Part of this is possibly due to your source of information being the church and Augusts being the State records of the State of Bexbach. See, even in Germany there are problems with names and dates between two different sources.

I have been able to find information on additional Metzinger descendants from the Dunnington church records you sent and have entered it also in the computer.

St Bartholomew Church could not find a record of the marriage of Johann and Mary Schilling when I wrote to them in 1994. I will continue the search for more information on the Schilling family. I know that some of them moved to the Benton County area of Indiana also.

I have in the files the ancestors of Helene Nieder and also Catharine and Maria Omlor if you are interested.

I am enclosing a list of all the data I know about the descendants of John Francis, and also a list of missing information. Check these at your leisure and see if you have any of the missing information.

If you or your sister Eva are interested, the program I am using is BROTHER'S KEEPER 5 and is available- or was a year

ago- from John Steed, 6907 Childsdale, Rockford Michigan 49341 for about $50. It has many interesting features. It is shareware so possibly he would send you a trial program. if you purchase it I can send disks with my information which can be loaded in the program. It is possible to use separate sub-directories to keep different families separate.

I have just recently been able to make contact with some of the family in New Jersey after trying for 4 years. Hope that it will prove fruitful.

Well must go now. It is a beautiful day outside and I have a lot of work to do cleaning up for fall.

Thanks again for all the data you sent. It is really appreciated. Your donation was more than enough and I will hold the remainder as payment for future updates which I plan to send every few months unless you would want them sooner.

God Bless, good luck and good health.

Sincerely,

Bob

THE METZINGERS OF BENTON COUNTY INDIANA

THREE BROTHERS AND A FIRST COUSIN

The Metzinger family name is believed by those in Germany to have originated in the town of Metzing in the French province of Lorraine (Lothringen). This town is about 18 KM south of Saarbruecken and 9 KM west of Saareguemines.

The earliest Metzingers in our line for which we have found information were in the town of Rehlingen, about 10 KM northwest of Saarlouis along the Saar river, which at the time was under the rule of the Counts of Nassau-Saarbruecken. The family remained in that area for 4 generations and then moved to Mittlebexbach about 15 KM north north west of Zweibruecken, and 4 KM from Homburg.

There is an interesting family legend here in Pennsylvania that the Metzinger family is owed some type of inheritance in Holland due to service to William of Orange -who later became William of William and Mary fame in England. William also was of the house of Nassau and the famous-or infamous depending on your religious beliefs -Orangemen. None of this has been substantiated except for an affidavit filed early in the 1900's by Peter Metzinger in Northumberland County Pennsylvania. I was told by my aunt that it had been researched and had been found in the books in Holland, however the German relatives have no knowledge of this whatsoever.

The original Metzinger settlers of Benton County Indiana were the three sons of Johannes Martin and Catharina Schulz Metzinger, Johannes, Martin, and Heinrich, and a first cousin of theirs Johannes the son of Heinrich and Elisabeth Wallich Metzinger.

The three brothers were the first Metzingers in the area arriving sometime in the early 1870's, with their cousin Johannes arriving around 1885 as far as can be determined.

All of them were born in Mittelbexbach (Mittelbischbach) Rhein Bayern what is now The Saarland State in the southwestern corner of Germany near the Luxembourg and French borders at the time under the rule of the Kingdom of Bavaria. The area was a politically unstable area being under the rule of the House of Nassau, the French, and the Germans at various times in its history. In the records here in the United States it is sometimes referred to as Alsace Lorraine although this is not absolutely true.

At present we have traced some 2331 blood descendants and 1112 spouses of Johann Metzinger (1610-1671) and Engel Schenkel (1615-1647). The descendants are covered by some 7

files consisting of about 280 pages of text and we will make this available to anyone wanting a copy for the price of postage and a 3.5 inch 1.44 M high density disk. The files are in ASCII format which can be printed with the DOS PRINT command. We are constantly getting additional information and will advise all interested when substantial updates are ready. In addition to the direct blood line descendants we have also been able to determine lines of ancestry and descent for several of the families of spouses, for instance, the family lines of Catherine and Mary Omlor the two wives of Martin, and the ancestors of the grandmother- Helene Nieder- of the brothers and cousin mentioned above.

Many people have contributed data so far with all of the German information coming from a fifth cousin of mine in Bexbach Germany, and most of the Pennsylvania data through original research by me and my wife in the parishes and courthouses in Schuylkill, Northumberland and Columbia Counties Pennsylvania.

Considerable material has been obtained from Bill Schikora who did a considerable amount of work in the Midwest in 1985 and thereabouts without ever being able to tie his Metzinger ancestors to any of ours. Much thanks is due to Bill for his efforts. Letters written to him have been made available to me and I have contacted some of those who had corresponded with Bill. I have also been fortunate in being able to contact the Benton County Historical Society and Mrs Virginia Taylor of that organization has supplied me with many copies of Metzinger data from their files. My first clue to the Indiana Metzingers came from an article written for a church music magazine by Joseph Metzinger of Alexandria Virginia. He answered my first letter and has been a source of much of the data shown in the accompanying material through his aunts and other relatives. I have also gotten help from Oracena Metzinger in Caldwell Kansas, Arthur Metzinger in Pierre South Dakota, and Virginia Noye Holland in DuQuoin Illinois to name but a few. All my contacts are mentioned in the source notes in the material and if I have overlooked anyone I am sincerely sorry. Without help from living relatives an undertaking such as this is impossible. THANKS EVERYONE.

FIND IOLA MAN DEAD IN HOME

Coroner Reports Death of J. F. Metzinger Due to Heart Disease

John F. Metzinger, 62-year-old Iolan, was found dead in his home at 923 North State last night by Police Chief A. V. Funkhouser and Sheriff Bud Hurley. Death, Coroner Ira Kerwood said today, was due to heart disease, and occurred about 6 a. m. yesterday.

Mr. and Mrs. Ernie McFarland, proprietors of a cafe where Metzinger had acted as janitor, drove past his house yesterday evening to see if they could locate him, since he had not appeared for work that day. They found his car parked in the street, but could find no trace of him.

See Body Through Window.

They drove to the police station where Chief Funkhouser was, and asked him to come to the Metzinger house. The chief picked up Sheriff Hurley en route, and when they arrived they found both doors locked. The chief flashed a light through a bedroom window and saw Metzinger's body lying on a bed.

Coroner Kerwood was called, and after an inspection he pronounced the death due to a heart attack.

Funeral services are to be held tomorrow at 10 a. m. at St. John's Roman Catholic church, conducted by Father Powers. Burial is to follow in a cemetery at Gas City.

Eleven Children Survive.

The widow and 11 children survive Mr. Metzinger, a native of Indiana who had lived here for about ten years. The children are: John, of [illegible]field, Ky.; Raymond, of Drumright, Okla.; Herman, of Olathe; Sylvester and Ralph, of St. Joseph, sons; and Mrs. Etta Metzinger, St. Joseph; Sister Emma Lucy, Pittsburg; Mrs. Sproat, Wathena; and Mary, Beatrice and Catherine, all daughters, of St. Joseph.

TRAIN KILLS TWO AUTOISTS, NINE IN THREE DAYS

Mother and Daughter Die in Blue Island.

Officials of Blue Island and Harvey planned yesterday to appeal to the interstate commerce commission for elevated grade crossings as the result of the deaths of nine persons in train-automobile accidents during the last three days.

Two persons were killed and a third critically injured in a crash yesterday morning at 127th street and the Grand Trunk railway crossing in Blue Island. This accident followed the crash in which seven persons were killed at the Halsted street crossing of the railroad in Harvey on Wednesday.

Two Mayors Seek Action.

Mayors Frank Bruggeman of Harvey and Frank Kasten of Blue Island said the commerce commission will be asked to order installation of elevated crossings throughout the southern part of the county or to limit the speed of trains to 25 miles an hour in the towns.

Yesterday's crash occurred when the International limited of the Grand Trunk Western railroad, speeding into Chicago several minutes late, crashed into a sedan at the Blue Island crossing. In Blue Island.

Officials of Blue Island and Harvey planned yesterday to appeal to the interstate commerce commission for elevated grade crossings as the result of the deaths of nine persons in train-automobile accidents during the last three days.

Two persons were killed and a third critically injured in a crash yesterday morning at 127th street and the Grand Trunk railway crossing in Blue Island. This accident followed the crash in which seven persons were killed at the Halsted street crossing of the railroad in Harvey on Wednesday.

Two Mayors Seek Action.

Mayors Frank Bruggeman of Harvey and Frank Kasten of Blue Island said the commerce commission will be asked to order installation of elevated crossings throughout the southern part of the county or to limit the speed of trains to 25 miles an hour in the towns.

Yesterday's crash occurred when the International limited of the Grand Trunk Western railroad, speeding into Chicago several minutes late, crashed into a sedan at the Blue Island crossing. It was the same train, manned by a different crew, which killed seven employes of the relief commission Wednesday morning in Harvey, three miles from the scene of yesterday's crash.

College Dean Seriously Hurt.

Yesterday's dead were Mrs. Marie Metzinger, 45 years old, of Fargo, N. D., and her daughter, Leona, 19 years old, a student in the North Dakota State college at Fargo. Dr. Leon Metzinger, 52 years old, dean of modern languages at the college, husband and father of the dead women, was critically injured. He was taken to the St. Francis hospital in Blue Island, where physicians feared that he would die.

An old superstition of railroad men that accidents run in "threes" was borne out by the Blue Island accident. The train wreck Christmas night near London, Ont., claimed 15 lives. The Harvey accident was the second, and the Blue Island crash rounded out the cycle.

The Metzingers were homeward bound after a week's Christmas visit at the home of Mrs. Metzinger's parents, Mr. and Mrs. John Martzel, 13044 Gregory avenue, Blue Island. Saturday night they had attended the wedding of their daughter and sister, Georgia Metzinger, a student of the University of Chicago Medical school, to Dr. Arthur Burt, soon to begin an internship at the Billings Memorial hospital.

Crossing Signals in Order.

Their sedan laden with Christmas presents, the Metzingers set out for home yesterday morning after buying a new set of automobile chains to guard against accidents. Witnesses said that Mrs. Metzinger, who was driving, hesitated at the crossing and then attempted to drive across the tracks. Flash light and bell signals were said to be working at the time.

Mrs. Metzinger's father, John, 81 years old, a former justice of the peace in Calumet township, was reported critically ill at his home and was not told of the tragedy. Her mother, Rose, collapsed and was put

Dear Cousin Mary,

Enclosed you will find the marriage application from the town of Mittelbexbach for Peter Metzinger and ANNA MARIA WAGMANN. Note that Peter's first wife was EVA GRAHS. Note that the H is written to look like a . This marriage application is an example how namwes got screwed up in those, and present records. Also enclosed is a copy of the birth record for ANNA MARIA.

In addition to the above, I recently received some material from the Benton County Indiana Historical Society on some of our relatives. I am enclosing copies of those pages which may interest you about the Schilling's, Bennetts, and Matthews. These pages are copies from The History of Benton County which was compiled in 1987. It costs about $50 if you are interested in obtaining one, and can be ordered from Mrs Virginia Taylor -Benton County Historical Society- 404 East 6th Street P O Box 341- Fowler Indiana 47944-1536. They do not have a phone- believe it or not! Tell Virginia I told you about this. She is very nice and very helpful. One of these days when I can get a few minutes I will copy everything she has sent me and send it to you. Quite a bit of interesting information from their files.

Did the Gedcom files work? I am anxious to know.

Can I assume that you will be following up on the descendants there in the Midwest? Especially the three brothers? That will let me concentrate on the Eastern connection where there is still much work to be done.

I can get to the Philadelphia office of the National Archives easily so if there is anything you would like looked up in the census data let me know.

We are expecting rain for the next few days to try to melt the 30 some inches of snow we had last week. It has been a real experience. My greenhouse which is (was) attached to the house collapsed under the weight of the snow. Lucky that we did not have anything growing yet.

Keep in touch and I will have a new up to date version ready in a month or two.

Good luck.

Bob

Dear Mrs. Taylor,

Several years ago, a lady in Fowler sent me copies of several pages from a history book of Benton County. My cousin, Robert Drobile, of Collegeville, PA has just written to tell me the book is still available for purchase.

Since Bob and I are actively involved in researching the Metzinger family, I would like to purchase a copy of the 1987 Benton County History. It also, has information about my Schilling and related families.

Bob wrote that the book was about $50.00, but need to know the exact price and the amount of postage needed. I am enclosing a self-addressed and stamped envelope so that you can let me know this information.

Thanks so much for your help.

Sincerely,

Mary

Dear Cousin Mary,

I am sorry that I have not answered your letter sooner but I have been busy setting up a new directory which includes only those descendants of Johann who are not under the German Confidentiality Law. This has now been finished. Since I notice Eva and Larrie are using PAF and since my program (hopefully) can create GEDCOM files, I have created a GEDCOM file called MARY.GED which they should be able to import into PAF. I am anxious to find out if it works!

I am enclosing the GEDCOM disk and also a disk with the Nieder and Omlor ancestors on it. You will notice that some of the person identification numbers do not agree with the data you already have. That is due to the creation of the new directory. The next update I send will contain all the new numbers so don't fret yet.

You might like to contact Ms Tammy Metzinger RR #3 Box 22 Delphi IN 46923 who is also researching the descendants of Johann Martin and Catharina Schulz Metzinger. I just had a letter from her a few weeks ago in response to a letter I sent to her father Robert Dean Metzinger. Her information is enclosed. The enclosed relationship chart will show her and your ancestors back to the common ancestor. With you, Agnes Buser, and Tammy all working on the Johann Martin family I will be able to concentrate on some of the Eastern branches. Sound good?

I am enclosing some addresses for descendants of Johann Martin that I have accumulated from various sources. Some I have written to and have not had any response. There are a lot of duplicates in the list so be careful!

I received a letter from August about a week ago and in it he mentions that he and several others in Bexbach are starting a genealogical club. Seems that they just recently discovered the Mormon Church microfilms and intend to order some for research. I sent him a copy of the printout of the Mormon index you sent me and also asked him if it were alright with him to give you a copy of all the German data. I also asked him if he, or anyone else there, would be interested in getting photos of residences and tombstones. As soon as I get a response I will let you know.

Keep in touch.

Love,

Bob

Dear Bob,

Thanks much for the latest material on the family. The marriage record for Peter Metzinger and Anna Maria Wagmann is wonderful. All of the records I have obtained are church records and certainly not as detailed as the civil records.

The additional computer sheets will assist me when I finally make the trip to Caldwell. I had planned to Xerox what I had, but this is much better. There are quite a large number of gaps in the Gertrude Metzinger Schmidt family. Hope I can fill in more information.

Father John Metzinger is great. It is rather difficult to remember to call him "John" as we always called him Robbie when he was growing up. He became Father John when ordained. His parents, Bob and Mary Jane, were married 40 years in November and Father John said Mass in their home here in Bartlesville for his parents and brothers and sister. Dick and I attended since we are the only "other" family in the city. We had a wonderful catered dinner after Mass and enjoyed all of the cousins.

I seem to have quite a bit more information on the Schilling family than you have on the computer. At this point, it is only hand-written notes and family group sheets. When time allows, I will get the material typed and to you. I believe I sent the enclosed family group sheet/or did I? Although I do not know the father of Theobald Schilling, I suspect it may be David Schilling who married Maria Magdalena Conrad. The following:

Sankt Stephan Katholisch, Mainz, Rheinhessen, Hessen (LDS/records)
Theobaldus Schilling
Christened: 17 Apr 1776
Father: Davidis Schilling
Mother: M. Magdalena

No surname is given for M. Magdalena, but in the christening record for another child in 1781, she is called M. Magdalena Conrad. I have not ordered any of the Saint Stephan Church (of Mainz) records to view the actual baptisms for the five children of David and Magdalena.

Michael and Elisabeth Zentz Schilling immigrated from Sankt Ingbert to Schuylkill Co. PA between 30 Oct 1844 (birth of dau Gertrude in St. Ingbert) and circa 1847 (birth of dau Catherine in Schuylkill Co.). Their first eight children were baptised at St. Joseph's Church, St. Ingbert. I do not know where Catherine Schilling was baptised in Schuylkill Co. and have never found any records concerning her or her husband, Michael Boneberger.

The Benton County History concerning the Schillings has some errors. Catherine Schilling (dau of Michael) was not born in 1839, but probably about 1847. The following census records seem to prove the error:

Another probable error in the Benton Co. History:

John Schilling (1835-1906) married Magdalena E. Steinfeldt (1845-1926)
I believe John married Mary Elizabeth Steinfeldt. The 1900 census for Benton Co. IN indicates that "Lizzie" Schilling was born 1849. The census records, as usual, are in conflict.

I believe that John Schilling married Mary Elizabeth not Magdelena Steinfeld, dau of Peter and Magdalena Steinfeld. Your thoughts...

Will stop for today - we are rather snowed in and the streets are bad, so will get this to the postoffice as soon as possible. Also, enclosing some paper and postage money for you. This genealogy exchange is becoming a little one-sided. You send far more than I do, so please add it to your genealogy expenses piggy bank.

Thanks again for the latest material.

Dear Mr. Drobile,

I received your inquiry this morning and recognized the name "Edith Schwartz" since I was hear when Sr. Lisetta died and I wrote her tribute which was read at her funeral.

My grand-uncle, Fr. Peter Biegel was her pastor in Dunnington. He used to refer to her as "one of my girls". He too is in heaven now.

I do hope this information is meeting your needs as you research your geneology. If you ever come this way, feel free to stop for a visit and we will take you to Sister's grave.

God bless you!

A TRIBUTE TO SISTER M. LISETTA

Died April 13, 1993

...by Sisters Rose Bernadette
and Julitta

After ninety years of developing the gift of life"for God alone", our quiet, loving sister, Sister Lisetta was lifted by Jesus from her cross of pain to join Him in celebrating the resurrection during this holy Easter octave and for all eternity. Sister was born to William and Catherine Schwartz near the little town of Hoopston, Illinois....on a lovely farm close to God's nature. She was the fourth child in the Schwartz family. There were four brothers, Bill,Carl,Wilfred and Jack, and two sisters, Gertrude and Veronica. To date only her brother Wilfred in Florida, and her sister Veronica in Fowler survive of the immediate family.

At Baptism Sister was given the name Edith. When she was a very small girl, the family moved to Dunnington. Ind. Here she and her brothers and sisters attended St.Mary's school and parish and received their intellectual and spiritual nourishment. Through the good example of her Christian parents, and that of the Sisters of St. Francis and the spiritual guidance of her pastor, Father Peter Biegel, Edith and several other young ladies in the parish answered God's call to religious life and entered the Sisters of St. Francis of Perpetual adoration in Lafayette, Indiana. Edith was 19 years of age when she entered in 1922. The following year she received the holy habit and the name, Sister Lisetta. Her first experiences in teaching took place at St. Mary's in Huntington, St. Casimir in Hammond and St. Agnes in Chicago Heights. From 1928 to 1942 she taught in our Western Province and from 1942 to 1984 in our Eastern Province. Her personal efforts and experiences and her attendance at a variety of Colleges and Universities across the USA during the summer months, helped her develope into a excellent teacher. She insisted on careful, neat work from her students and was especially sensitive to the needs of slow learners. Correction were always made in a calm and loving manner. She won the respect of her students. She loved geography and astronomy especially. One of her joys was to go for a walk in the early evenings when the stars were visible, and gaze at the sky. Sister Arilda recalls that she was her partner on many occassions. One would gaze and comment on what she saw, while the other would lead the walk so they would not stumble. "It was a glorious sharing of a mutual interest"and in the process both praised the Lord for His wonderful creation.

Sister Lisetta's willingness to be of service to others was well known. The food items brought by friends and benefactors to the various convents, she treated as a treasure, carefully cleaning and preparing them and making sure that nothing be wasted. She could prepare delicious meals, and keep house with the same ardour and perfection as she conducted her work in the classroom or her religious exercises,No task was too tedious or too lowly and she never expected recognition or thanks. So much of her work and kind deeds were done behind the scenes. Whenever she was transferred, the Sisters left behind often were puzzled as to who had been responsible for numerous duties in household tasks that always seemed to be done before.

The Sisters in the convent found her to be most kind, loving and eager to be of service to each of them and to anticipate their needs. She respected their confidentiality, was a good listener, maintained a postive attitude, and contributed to peace and harmony in community. Altho she suffered with food allergies, she placed the needs of others before her own, and never expected special attention.

Her wish for more time to pray was fulfilled when she came to St. Francis Convent in 1984. Here she participated in many hours of adoration and helped in various domestic duties. In February of 1990, she came to Our Lady of Angels. For a year she took care of the storage room...known as"Finnegan's Flat"...!By the end of 1991 she was confined to her room, except for occassional rides in the wheel chair to chapel and around the premises. Her sweet smile and words of appreciation made it a pleasure to minister to her.

Sister Lisetta will be lovingly and prayerfully remembered by her Sisters of St. Francis, by the many students and families she touched over the years, and by her many nieces and nephews...all of whom have benefited from her example, her prayers and her redemptive suffering. May God reward you dear Sister Lisetta... as only He can. Rest in Peace!

1 NOV. 1997

Dear Mary -

I was given your name + address most recently by Robert Drobile of Pennsylvania who, as you know, is compiling an extensive data base on the Metzingers, + therefore also on the Schellings. If I have figured it right, you + I are double 3rd cousins, once on the Metzinger side + once on the Schelling side. Take a look at the diagram I've enclosed + see if you agree.

I'm sure I was also given your name when I was in Dunnington Indiana in 1980. Shortly after that, my life began to fall apart + I am only now getting back to my most favorite pasttime + (~~obession~~ obsession) - my family history.

I'm sure there is a lot we can exchange + inform each other of. I think Bob Drobile told me that you, as I, have been to Salt Lake + have spent hours going over the microfilms of church + civil records from Mittelbexbach, Germany. I have also tried whenever possible to interview people along the way - although that has suffered greatly the last decade or so.

I am especially interested at the moment in learning what you have that validates Theobold Schelling as the husband of Margaretha Leonhard - whom ~~have~~ you listed as the parents of Michael Schelling who married Elisabeth Zertz (Zens, etal). I have a rough translation made for me by one of the German resource persons at Salt Lake ~~[illegible]~~ of a document which appears to say that Michael's father + thereby Margaretha's husband was Johannes Schilling.

I am going to order the microfilm again from Salt Lake to check this out. I sat right with her at the microfilm reader as she read it to me but, of course, mistakes can easily be made.

This same document gave Elisabeth's parents as FRANZ Zens, which correlates with your info, but gives the mother's last name as Catharina Raber or Ruber, rather than Waber.

If you, too, have looked at these particular records, you know how very bad + somewhat illegible they are. I'm not looking forward to re-reading them + so before I do, I thought I'd drop you a line + see how you had arrived at your information.

I don't know a lot about the Schillings - I've concentrated more on the Metzingers. I do hope to add to my anecdotal history of the Schillings. We seem to be related to them several ways. Have you researched the Schillings extensively? I'm interested in finding out more about the meat markets in Chicago which the Metzingers always talk about as a part of their history with the Schillings.

On the Metzinger side you probably know that your g-grandfather Henry (m. Mary Theno) had a twin sister named Barbara, who died at about 16 mo. of age. I also think I read somewhere that he lived for a time in Mineral Point, Wisconsin. Why was he there? + where + when did he meet Mary Theno?
& marry

Do you have a computer? I hope to have one by Christmas. Then I could type this letter!!!

Hope to hear from you— Sincerely,
Gerry Gosche

Dear Gerry,

Taking a day off from the holidays to try to get your letter of 1 Nov 1997 answered. I will not try to copy any material until early next year, but will try to answer some of your questions.

I have not been to Salt Lake City, but have ordered microfilm and read it at our local Family History Center. I copied the needed pages on the Schilling (and Metzinger) families. Our son, Dr. Richard D. Nunneley, Jr., is a professor at the University of Minnesota in Minneapolis translated the documents for me. The following from his translations:

Anno Millesimo octingentisimo quarto vigesima tertia Augusti-quinta duodecimo Reipublicae anno--baptizatus estMICHAEL filius legitimus THEOBALDI SCHILLING mercenarii et MARGARETHAE LEONARD conjugum commorantium in St. Ingbert. Natus est eadem hora quarto matutina. Patrinus fuite MICHAEL LEONARD maritus CATHERINAE SCHNABEL commorans in Sengrt. Matrina fuit MARIA nata SCHIRER uxor HUBERTI SCHILLING ex St. Ingbert. Matrina declarabat se nescire scribere, se subsignavit, signum, MARIAE (names). In fidem W. TORSCH ad St. Engelbertam, Rector.

Translation

In the year 1804 on the twenty-third of August--in the fifth [ ] in the twelfth year of the Republic--was baptized MICHAEL, legitimate son of THEOBALD SCHILLING, a hired man, and MARGARET LEONARD, a couple (or, "man and wife") residents at St. Ingbert. He was born at the same hour as four in the early morning. The godfather was MICHAEL LEONARD, husband of CATHERINE SCHNABLE residing at St. Ingbert. The godmother was MARIA, born SCHIRER, wife of HUBERT SCHILLING from St. Ingbert. The godmother declared that she did not know how to write (and) she registered herself. The sign (or mark) for MARIA [X]. In faith (or perhaps, faithfully) W. TORSCH at St. Ingbert

I will not type the complete Latin and the translation for the marriage of Michael Schilling and Elisabeth Zenz, but the record states that Michael Schilling is a legitimate son of the deceased Theobald Schilling and Margaret Leonhard, a Catholic couple and that he married 26 Jan 1830 to Elisabeth Zenz, legitimate daughter of the deceased Francis Zenz from Zollingen and Catherine Haber/Waber, a Catholic couple. Witnesses: John Schilling and Peter Bauer. J. Pfeiffer, priest at St. Ingbert.

I have not ordered the civil records for Mittelbischbach Rhein Bayern and have only viewed and had translated the records for St. Joseph's Church at St. Ingbert, Mittelbexbach, Rheinland, Pfalz. The church records are in Latin, for the most part, but some in those early years did have some French (probably due to whomever had the local rule).

Something of interest that I found on IGI at the LDS Family History Center:

THEOBALDUS SCHILLING

Christened: 17 Apr 1776
St. Stephens Catholic Church
Mainz, Rheinhessen, Hessen
Parents: Davidis Schilling and Maria Magdalena Conrad

Our Theobald Schilling married in 1804, so this man could possibly be the right Theobald. I have not ordered the parish records as yet.

Yes, I did know that my Henry Metzinger (1840-1914) had a twin sister, Barbara (1840-1842). In fact, John Metzinger and Catherine Schulz had the following, all born and baptized at Mittelbexbach:

Peter Metzinger (1830-)
George Metzinger (1832-1833)
John Metzinger (1834-1886) to US and Benton Co. IN
Martin Metzinger (1836-1908) to US and Benton Co. IN
Elizabeth Metzinger (1838-1852)
Henry Metzinger (1840-1914) to US and Benton Co. IN
Barbara Metzinger (1840-1842)
Maria Catherine Metzinger (1842-1848)

I am not sure if Henry and Mary Theno Metzinger lived in Mineral Point, Wisconsin. I do know that, per land records, there were Theno's in Mineral Point, so it would not surprise me if they, after their marriage in Chicago, IL moved there to be with family.

No, I do not have a computer. Have been thinking about getting one for a couple of years, but just have not purchased one. I guess after sitting at a computer at work for so long, it just did not appeal to me when I retired.

Will close for now and hope the information is what you needed.

Sincerely,

Mary R. M. Nunneley

the Catholic who didn't want to be PRESIDENT

by FRED J. ECKERT

IF SOMEONE asked you to name the first Catholic to be elected President of the United States, you would probably answer: "John F. Kennedy."

And you would, of course, be right.

If someone asked you to name the first Catholic to be seriously considered for the office of President of the United States, you would probably answer: "Al Smith."

But you would be wrong.

One hundred nine years ago — six and one-half decades before Al Smith was nominated for the presidency, and almost 100 years before John Kennedy was elected president — America came close to having its first Catholic president.

The stumbling block, ironically enough, was not that the nation might not have been ready for a Catholic president, but that the man who might well have become America's first Catholic president did not want to be.

It happened in the spring of 1863. The Civil War was in its third year — and events were not going well for the Union cause. In the East, the Army of the Potomac was continuing to lose battle after battle. In the West, events had been going better for the Union, but in the spring of 1863, General Ulysses S. Grant's Army of the Mississippi was bogged down in the painful and drawn out seige of Vicksburg.

Most of the blame for the sad situation the North found itself in was placed against one man — President Abraham Lincoln.

ALTHOUGH the greatness of Abraham Lincoln is today universally recognized, such was far from the case in the spring of 1863.

Members of his own cabinet tried constantly to belittle him. Leaders of his own party almost daily denounced him from the halls of Congress. Newspaper cartoonists relished in portraying him as a baboon, or worse. He was the object of more ridicule and abuse than any president before — or after — him. And hardly anyone gave a prayer for his chances of being re-elected.

As Carl Sandburg writes in his definitive biography, *Abraham Lincoln: The War Years*: "The spring and early summer of 1863 saw Lincoln's rating among large groups of respectable people of influence sink lower than at any time since he had become president."

Charles Dana, author of the classic *Two Years Before the Mast*, summed up the mood of the nation in a letter to a British friend: "He (Lincoln) has no admirers, no enthusiastic supporters . . . if a Republican convention were to be held tomorrow, he would not get the vote of a single state."

And so, in the spring of 1863, one of the most influential men in America — Horace Greeley, publisher of the prestigious New York *Tribune*, one of the founders of the Republican Party, the man who persuaded America to "go west, young man, go west" — went searching for a presidential candidate to replace Lincoln.

Greeley talked with almost every prominent Republican leader in the nation — and all of them agreed with him that Lincoln should not be re-nominated for the presidency.

The strategy that developed was to find a popular and attractive candidate — and find him soon, so that Greeley and other powerful "opinion molders" could begin building him up in the newspapers with a public relations campaign so extensive that, they felt, he would be a shoo-in come the following year's presidential election.

The man they decided on was a popular national hero, the Commander of the Army of the Cumberland — General William S. Rosecrans, known affectionately to his soldiers and the nation as "Old Rosey."

AN 1842 graduate of West Point and a former professor of natural philosophy and engineering at the military academy, Rosecrans headed a Cincinnati manufacturing company when the Civil War broke out.

He re-enlisted in the Army, receiving a commission as a Brigadier General, and soon found himself leading a Union Army to victory in the battle of Rich Mountain in West Virginia. He again led Union armies to victory at the battle of Iuka, Mississippi — which prompted General Grant to write: "I cannot speak too highly of the energy and skill displayed by General Rosecrans" — and at the battle of Corinth, Mississippi, following which he was promoted to Major General.

Next Rosecrans pushed across Tennessee, to the battle of Stone's River — about which Abraham Lincoln wrote him: "You gave us a hard-earned victory which, had there been a defeat instead, the nation could scarcely have lived over" — and then to the battle of Murfreesboro, where he routed the Confederate forces.

A General deeply admired by his troops, a leader whose knowledge of military science and history was vast — who at military conferences could always cite pertinent examples of the past when confronting current problems — Rosecrans was a winner in an army dominated at the top by losers.

As one historian puts it: he "had been uniformly successful in the war and had the air of a 'coming man.'" To Horace Greeley — and to many other prominent Republican leaders — "Old Rosey" seemed a natural for the presidency.

Some, of course, wondered aloud if his Roman Catholicism might not be a disadvantage at the polls. Not only was "Old Rosey" a Catholic, he happened to be a very devout Catholic and the brother of Bishop Sylvester H. Rosecrans of Cincinnati.

It was not at all uncommon to see him, in the midst of bitter battle, blessing himself and saying a "Hail Mary" or an "Our Father" for his men.

EVEN his military orders reflected his religious devotion. One, for example, began: "Companions-in-arms! Today is both the weekly commemoration of the resurrection of Our Lord and the birthday of Washington." Another led off: "By the favor of God, you have expelled the insurgents from middle Tennessee."

Bruce Catton describes him as "a very religious man," and Carl Sandburg called him "an able commander, not lacking piety."

What about a religious issue? Would his Catholicism be a disadvantage with the voters? No, said Horace Greeley. If anything, it would be an advantage (an opinion John Kennedy's inner circle of political strategists would hold some 100 years later).

No great mention was made of his age. He was 44 — and thus could become the youngest person, up to then, to be either nominated or elected President of the United States.

Greeley contacted James R. Gilmore, the distinguished New York City businessman, and asked him to serve as a liaison man between Greeley and his associates and General Rosecrans.

At first, Gilmore was somewhat reluctant. "I did not relish the idea of going to work to undermine Mr. Lincoln," he later wrote. "I had a strong personal liking for him." Greeley replied that the aim was not to undermine Lincoln and that there would be no harsh criticism of him. It was just that it was felt that Lincoln could not adequately cope with the great problems facing the nation and the time

porters . . . if a Republican convention were to be held tomorrow, he would not get the vote of a single state."

And so, in the spring of 1863, one of the most influential men in America — Horace Greeley, publisher of the prestigious New York *Tribune*, one of the founders of the Republican Party, the man who persuaded America to "go west, young man, go west" — went searching for a presidential candidate to replace Lincoln.

Greeley talked with almost every prominent Republican leader in the nation — and all of them agreed with him that Lincoln should not be re-nominated for the presidency.

The strategy that developed was to find a popular and attractive candidate — and find him soon, so that Greeley and other powerful "opinion molders" could begin building him up in the newspapers with a public relations campaign so extensive that, they felt, he would be a shoo-in come the following year's presidential election.

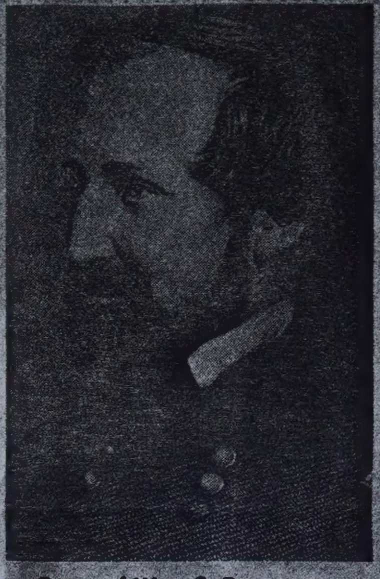
No great mention was made of his age. He was 44 — and thus could become the youngest person, up to then, to be either nominated or elected President of the United States.

Greeley contacted James R. Gilmore, the distinguished New York City businessman, and asked him to serve as a liaison man between Greeley and his associates and General Rosecrans.

At first, Gilmore was somewhat reluctant. "I did not relish the idea of going to work to undermine Mr. Lincoln," he later wrote. "I had a strong personal liking for him." Greeley replied that the aim was not to undermine Lincoln and that there would be no harsh criticism of him. It was just that it was felt that Lincoln could not adequately cope with the great problems facing the nation and the time



General Wm. S. Rosecrans

had come to turn to a new, stronger leader.

It was not a negative action, Greeley argued; it was a positive action for the good of the country — to build a strong man up, not to pull a weak man down.

Gilmore told Greeley that he felt that the fault for the Union's pathetic predicament was not with Lincoln, but with his Generals.

All of them, replied Greeley, except Rosecrans.

GREELEY revealed to Gilmore the names of some of the key figures in the movement to replace Lincoln with Rosecrans. They were Congressman Thaddeus Stevens of Pennsylvania, perhaps the nation's leading anti-slavery spokesman; Senator Benjamin F. Wade of Ohio; Congressman Henry Winter Davis of Maryland; David Dudley Field, the noted lawyer and jurist; Governor John A. Andrew of Massachusetts; and, in Gilmore's words, "about all the more prominent Republican leaders, except Roscoe Conkling (Senator from New York), Charles Sumner (Senator from Massachusetts) and Henry Wilson (Senator from Massachusetts)."

"It was to me a fearful revelation," Gilmore later wrote. "What chance of success had Mr. Lincoln, thus forsaken by his friends, and forced to fight, with incompetent Generals, some of the ablest soldiers of the time?"

Then, in early May, 1863, came still more bad news for Lincoln and the North. At Chancellorsville, Virginia, Robert E. Lee had once again dealt the Union Army a humiliating defeat.

"My God! It is horrible — horrible," Greeley said to Gilmore. "Just think of it — 130,000 magnificent soldiers cut to pieces by less than 60,000 half-starved ragamuffins."

Greeley asked Gilmore to see Rosecrans at once — and Gilmore agreed. "I will give you my word," Greeley told him, "that if you find Rosecrans the man that is needed, I will go personally to Lincoln and force him to resign. Hamlin (Lincoln's Vice-President) will give Rosecrans command of the armies, and there'll be a chance of saving the country." (Greeley later calmed down and was once again content to have Rosecrans as the next president rather than general of all the armies right away.)

Gilmore set out to Murfreesboro, Tennessee, to make contact with Rosecrans. He spent two weeks with "Old Rosey" and his staff, carefully observing the General in action without revealing to anyone the true purpose of his visit.

"On all points," reports Lincoln-biographer Carl Sandburg, "he (Gilmore) became satisfied that the General would be a suitable candidate for the Presidency."

HE ASKED for a private meeting with "Old Rosey," and was granted a midnight meeting at which he revealed the Greeley group's plans to the General and asked him to run for President, assuring him that the office was as good as his if he would accept.

"Old Rosey," Gilmore later recalled, reacted "with evident surprise and gratification." But he did not want to be President of the United States.

"The good opinion of those gentlemen (the Greeley group) is exceedingly gratifying to me, and so is yours," he told Gilmore, "and I assure you that I have not had the remotest suspicion that you were here for any such purpose. I have supposed that you were merely gathering literary material; but, my good friend, it cannot be."

"My place is here," said "Old Rosey." "The country gave me my education, and so has a right to my military services; and it educated me for precisely this emergency. So this, and not the presidency, is my point of duty, and I cannot, without violating my conscience, leave it."

He ended his conversation with Gilmore by saying: "But let me tell you, and I wish you would tell your friends who are moving in this matter, that you are mistaken about Mr. Lincoln. He is in his right place. I am in a position to know. And if you live, you will see that I am right about him."

And so "Old Rosey," the first Catholic to be seriously considered for the presidency, turned down the offer.

Later, the war began to pick up for the North, and, although at many times the outlook for him appeared bleak, Abraham Lincoln was renominated and re-elected, going down in history as one of the great men of all time, while William Rosecrans faded into obscurity.

Maybe "Old Rosey" would rather not be president. But history proved he was right. ■

Fred Eckert writes from Rochester, N.Y. This is his first contribution to OSV.

'Would his Catholicism be a disadvantage with the voters?' . . . 'No,' said Greeley.

NOTE: Charles Rose died in Monongalia County, VA, between 6 June 1816 (date of his will) and September, 1816 (will proved).

Rebecca Rose, wife of Charles, died after 27 April 1847, at which time she appeared in court to try to obtain a pension for her husband's Revolutionary War service in New Jersey.

Charles Rose served in the Revolutionary War from Hunterdon County, NJ as follows:

First Company - Col. Chamber's Battalion
Third Regiment - Capt. John Phillip's Company/Hunterdon Co. Militia

Enclosed is a copy of the original roster of 1777 that shows the name of Charles Rose (directly under his name is that of his brother, Jonathan Rose). The original of this roster is housed in the New State Archives.

Charles Rose moved from NJ to Monongalia County, VA by 1796, at which time he purchased land.

I believe he was in Virginia prior to 1796. His daughter, Elsie, stated on various records that she was born in VA (1789).
